COMMERCIAL ENERGY SAVINGS AGREEMENT

GREELEY FURNACE CO. LLC
Locally Owned
Since 1970

112 East 30th Street
Greeley, CO 80631
(970) 356-0121

Benefits:

- Lower utility bills
- Extended equipment life
- Fewer repairs
- Improved capacity
- 15% discount on repairs
- Priority customer
- Inflation Protection
- Agreement is transferrable
- 24-Hr. Emergency Service
- Never an overtime charge

Precision tune-up procedures include:

- Clean condenser coil
- Monitor and adjust refrigerant pressure
- Clean evaporator coil if accessible
- Clean condensate drains
- Test starting capabilities
- Apply protective coating to outside unit
- Oil fan motors where applicable
- Adjust and clean blower components
- Monitor voltage / amperage
- Test for proper airflow
- Tighten electrical connections
- Lubricate moving parts where applicable
- Clean or replace air filters
- Measure heating/cooling transfer capability
- Calibrate thermostat
- Test and adjust safety controls
- Perform safety inspection on heat exchanger
- Monitor flue draft
- Monitor gas pressure and adjust gas valves as necessary
- Clean and adjust burner / pilot assembly
- Clean ignition assembly
- Monitor fan and safety limit controls
- Specialized equipment will be described on attached sheet

No repairs or improvements will be undertaken without customer authority.

Labor and material for such repairs, if needed, will be discounted 15% from our prevailing rates.

Emergency service calls will be charged at our prevailing rates less 15% discount on labor and materials.

Replacement air conditioning and/or heating units do not qualify for the 15% discount.

This agreement must be accepted within 30 days.
